

Allium 'Globemaster'

Allium 'Globemaster' is considered one of the most spectacular of alliums. The 8- to 10-inch orbs of lilac-pink flowers are particularly long-lasting in the garden and as cut flowers. Alliums bloom in very late spring, typically in sync with Dutch iris (seen here) and peonies. Available from Colorblends.com, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners coast-to-coast, with a minimum order of \$60. See Colorblends.com or call 1-888-847-8637.
