

Allium 'Purple Sensation'

Allium 'Purple Sensation' is best planted in clusters. Its four-inch, ball-shaped flowers are borne atop sturdy, 30-inch stems. 'Purple Sensation' blooms in very late spring. It is the earliest garden allium to come into color, making it a good companion for the latest-blooming tulips. Available from Colorblends.com, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners nationwide, with a minimum order of \$60.
