

### **Allium christophii**

Allium christophii produces an airy, silvery-pink flower that can measure up to 10 inches across. It stands 18 to 22 inches tall and blooms very late in the spring bloom season. Deer typically do not bother allium plants and flowers, though rodents may go after the bulbs. Available from Colorblends.com, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners nationwide, with a minimum order of \$60. See Colorblends.com or call 1-888-847-8637.
