

### **Allium unifolium**

Allium unifolium has small, lavender-pink flowers touched with white that are carried in loose flower heads. It's best planted densely and, at 15 to 18 inches tall, is excellent for underplanting other, taller alliums. It blooms very late in the spring bloom season. Available from Colorblends.com, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners nationwide, with a minimum order of \$60. See Colorblends.com or call 1-888-847-8637.
