

Amaryllis 'Rosalie'

Three amaryllis bulbs can provide months of midwinter growth and blooms. Large bulbs sized 32 to 34 cm in circumference grow two or three stems in succession, each topped by four flowers. With so many stems, why not cut a few for the vase? Large, top-quality, named-variety amaryllis bulbs are available at wholesale prices from Colorblends.com, with a minimum order of \$60. See Colorblends.com or call 1-888-847-8637.
