

Amaryllis 'Caprice'

For a compact indoor bloom display and cutting garden in midwinter, consider growing three amaryllis bulbs in one broad pot. Three big bulbs can produce a total of six to nine flower-topped stems that bloom in succession. That's plenty to enjoy in the pot, with enough to spare for the vase. Large, top quality amaryllis bulbs are available at wholesale prices from Colorblends.com with a minimum order of \$60. Visit Colorblends.com or call 1-888-847-8637.
