

Amaryllis 'Caprice'

For a compact indoor bloom display and cutting garden in midwinter, consider growing three amaryllis bulbs in one broad pot. Three big bulbs can produce a total of six to nine flower-topped stems that bloom in succession. That's plenty to enjoy in the pot, with enough to spare for the vase. Large, top-quality amaryllis bulbs are available at wholesale prices from Colorblends.com with a minimum order of \$60. Visit Colorblends.com or call 1-888-847-8637.
