

Amaryllis 'Flamenco Queen', CU

With big white blooms brushed and stippled with deep red, 'Flamenco Queen' is an especially dramatic amaryllis. Plant the bulb in a 7- or 8-inch pot with a drainage hole; water well after planting, later only when soil is dry to the touch; allow eight to 12 weeks from potting to bloom. Colorblends is a Connecticut-based flower bulb wholesaler that sells direct to home gardeners nationwide with a minimum order of \$60. See Colorblends.com or call 1-888-847-8637.
