

Amaryllis Bulbs Growing

While amaryllis bulbs make fabulous gifts for the holidays, they're unlikely to bloom by then. Typically, an amaryllis planted in November or December blooms in January or February, about eight to 12 weeks after planting. Large, top-quality amaryllis bulbs are available at wholesale prices from Colorblends.com, with a minimum order of \$60. Visit Colorblends.com or call 1-888-847-8637.
