

Amaryllis 'Horizon'

Amaryllis 'Horizon' brings the amaryllis world a color it's been waiting for: rich, flamboyant orange. There's an air of tropical warmth to the large, elegant flowers. At the throat, the flower color darkens, nicely emphasizing the orange stamens tipped in yellow. A big bulb sized 32-34cm produces at least two stems, often three, each topped by four flowers. For premium amaryllis varieties, at wholesale prices, see Colorblends.com, or call 1-888-847-8637.
