

## **Amaryllis Cutting Garden**

Just a stem or two of cut amaryllis makes quite a statement. Their vase life is long, up to 10 days, if cut just as the buds unfurl and are given fresh cool water every few days and kept out of direct sun and heat. To extend the vase life of cut amaryllis, start with a clean vase and cool water. Top quality amaryllis bulbs are available at wholesale prices from [Colorblends.com](http://Colorblends.com) with a minimum order of \$60.
