Colorblends BedSpreads® Bouquet Beaucoup™ is an artful tulip blend of five varieties in pink, purple, yellow, and white. Some are double flowered, some single. All are top garden performers and excellent as cut flowers, too. The long-blooming display spans mid-late through late season. BedSpreads are elaborate blends scaled to larger areas. Bouquet Beaucoup is sold in increments of 500 bulbs only. Connecticut-based Colorblends sells direct to landscape professionals and home gardeners nationwide, with a minimum order of \$60.
