

Colorblends Daffodil Blend Spring Loaded, on Slope

Daffodils planted on slopes are particularly dramatic in spring. Colorblends Daffodil Blend Spring Loaded makes it economical to plant daffodils on a large scale. It features at least 15 named varieties in a range of colors and bloom times. Depending on weather, Spring Loaded blooms for up to six weeks, from early to mid-late season. To encourage naturalizing, plant the bulbs in sunny spots where the soil drains well. All daffodils are deer and rodent proof. Connecticut-based Colorblends Wholesale Flowerbulbs sells direct to landscape professionals and home gardeners coast-to-coast with a minimum order of \$60. See Colorblends.com or call 1-888-847-8637.
