

Colorblends House and Spring Garden in Bridgeport, CT

For six weeks each spring, early April to mid-May, the public is welcome to visit Colorblends House and Spring Garden at 893 Clinton Avenue in Bridgeport, Connecticut. Seen here: early spring bloom, crocuses and striped squill.

The half-acre idea garden features 50,000 spring flower bulbs of various types that create an ever-changing display. The bloom is continuous, with three peak phases anchored by massed displays of crocus, then daffodils and, finally, tulips.
