

Colorblends BedSpreads® Bouquet Beaucoup™

Colorblends BedSpreads® Bouquet Beaucoup™ is an artful blend of pink, purple, yellow, and white tulips. The long-blooming display spans mid-late through late season. It's a cheery mix that features five tulip varieties, some double flowered, some single. Various 16- to 24-inches in height, all five varieties make excellent cut flowers, too. Colorblends BedSpreads® are elaborate blends scaled to larger areas. Plant them en masse, in clusters between shrubs and perennials, or scattered in naturalistic plantings. Bouquet Beaucoup is sold in increments of 500 bulbs only. Available from Colorblends.com, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners nationwide, with a minimum order of \$60.
