

Colorblends Cubed Blend Threedom

Colorblends Cubed Blend Threedom mixes three orange tulip varieties, each with a different look and bloom time, for sequential bloom in early-mid, mid and late tulip season. First up is a soft orange tulip with a large elongated flower. Next comes a double tulip, gold flushed with red that reads as fiery orange. Finally, an orange lily-flowered tulip takes center stage, its reflexed petals touched with deep rose and purple. Colorblends is a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners coast-to-coast, with a minimum order of \$60.
