

Colorblends Tulip Blend Trifecta

Colorblends Tulip Blend Trifecta offers three tulip varieties that bloom in sequence, delivering waves of color, early-mid through late season. First to bloom are large-flowered, fire engine red tulips. Next are classic, chalice-shaped yellow tulips. Third are lily-flowered tulips in imperial purple. As the flowering comes in waves, one third at a time, plant the bulbs densely for best effect. Colorblends.com sells direct to landscape professionals and home gardeners coast-to-coast, with a minimum order of \$60. See Colorblends.com or call 1-888-847-8637.
