Colorblends Tulip Blend iimagination combines three Greigii tulips that bring bright color and interesting foliage to the early-mid bloom season. The flowers open wide in the sun, with pointed petals outstretched. Plant the bulbs densely for a tapestry of red, yellow, rich pink and cream. Available from Colorblends.com, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners coast-to-coast, with a minimum order of \$60.
