

Daffodil 'Delnashaugh'

Daffodil 'Delnashaugh' is a particularly showy double daffodil. The large flowers are distinguished by broad, overlapping white petals and fluffy, peach-pink center segments. Good pink double daffodils are rare. This one is a beauty with strong peach coloring. It's also long-lasting and fragrant! It blooms in mid season and stands 14- to 16-inches tall. Available from Colorblends.com, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners nationwide, with a \$60 minimum.
