

### **Daffodil 'Gigantic Star'**

Narcissus 'Gigantic Star' is an early-blooming daffodil with classic good looks. The large, bold yellow flowers stand 18 to 20 inches tall. It's a rugged performer in both the North and the South and an exceptional naturalizer. All daffodils are considered deer and rodent proof. Available from [Colorblends.com](http://Colorblends.com), a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners nationwide, with a minimum order of \$60. See [Colorblends.com](http://Colorblends.com) or call 1-888-847-8637.
