

Daffodil 'Monal'

Narcissus 'Monal' is possibly the earliest and most colorful of the yellow-and-orange, large-cupped daffodils. Often, it comes into full bloom as other daffodils are just revealing their buds. Available from Colorblends.com, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners coast-to-coast with a \$60 minimum. See Colorblends.com or call 1-888-847-8637.
