

Daffodil 'Snowboard'

Narcissus 'Snowboard' is a late-blooming, white daffodil with an elegant, understated look. The flower has a long fluted cup and pretty petals shaped like guitar picks. In the garden, its late bloom and broad face make it an excellent companion for midseason tulips. Details: height 14- to 16-inches, bloom time Mid, plant in well-drained soil in full sunlight, USDA Zones 3-7, Western Zone to 9. Available from Colorblends.com, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners coast-to-coast with a \$60 minimum.
