

Hyacinth 'Gipsy Queen'

Apricot-orange Hyacinth 'Gipsy Queen' is magnificent when paired with blue or purple flowers in the early spring garden. With classic hyacinth fragrance and stout upright flowers covered head to toe with waxy florets, it is charming as a massed bedding plant or in clusters tucked between perennials and shrubs. Available from Colorblends.com, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners coast-to-coast with a \$60 minimum. See Colorblends.com or call 1-888-847-8637.
