

Allium Ambassador, Kniphofia and Grasses - Janie McCabe/Colorblends.com

A dramatic shoreline planting on the Long Island Sound, by Connecticut landscape designer Janie McCabe makes powerful use of color, texture, shape and height. Says McCabe, "I love the interplay between the purple ball-shaped umbels of Allium 'Ambassador' and the bottlebrush spikes of orange-and-yellow Kniphofia." For more on combining spring bulbs and perennials, visit BulbDesignNotes.com, a garden design project from Colorblends.com.
