

**Allium Purple Sensation and Snowball Viburnum - Janie
McCabe/Colorblends.com**

For a sloped site with rocky outcrops, Connecticut landscape designer Janie McCabe paired Allium 'Purple Sensation' with Viburnum opalus roseum (old-fashioned snowball viburnum). Both bloom in late spring and carry dense, ball-shaped flowers on long stems. Says McCabe, "Repetition of shape plus the rich color contrast makes the combo sing." For more on combining spring bulbs and perennials, visit BulbDesignNotes.com, a garden design project from Colorblends.com.
