

White Blooms and Greenery

White Blooms and Greenery. In spring, a lush garden enveloped by mature trees and layers of greenery is brightened by white flowers. "One lovely plant partnership combines large-flowered Tulipa 'Maureen' with small-flowered Deutzia," says Oklahoma City garden designer Linda Vater. The white-on-white duo blooms in sync for several weeks in late spring season. For more on combining spring bulbs and perennials, visit BulbDesignNotes.com, a collaborative garden design project from Colorblends.com.
