

Paperwhite 'Nir' and Amaryllises

When it comes to blooming, paperwhite bulbs are fairly speedy and amaryllis bulbs are not. After planting, expect paperwhite bulbs to bloom within 5 or 6 weeks and amaryllis bulbs within 8 to 12 weeks. That timing is approximate, of course, as all bulbs and home growing conditions are different. These amaryllis and paperwhite bulbs were planted the same day. Quality paperwhite and amaryllis bulbs are available at wholesale prices from Colorblends.com, with a minimum order of \$60. Visit Colorblends.com or call 1-888-847-8637.
