

Aerial View: Amaryllis Windowsill Garden

It's fun to grow a garden indoors in winter. Few winter-blooming plants deliver the long-lasting beauty of potted amaryllis bulbs. "Watching amaryllis grow in the depths of winter is an experience. They're surprisingly dramatic," says Christian Curless of Colorblends.com, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and consumers with a minimum order of \$60. See Colorblends.com or call 1-888-847-8637.
