

Tulip 'Clearwater'

Tulip 'Clearwater' is a classic white tulip with goblet-shaped flowers that are particularly long lasting. When the flower opens, a soft flush of yellow is seen which matures quickly to pristine white. 'Clearwater' blooms in mid-late season and stands 20 to 22 inches tall. Available from Colorblends, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners coast-to-coast, with a minimum order of \$60.
