

Tulipa turkestanica

Tulipa turkestanica produces four to eight small, white flowers per stem. The blooms open wide in the sun to reveal a golden eye surrounded by pointed white petals. Tulip turkestanica blooms in early spring, stands 9 to 11 inches tall, and is native to Turkestan. Available from Colorblends, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners coast-to-coast, with a minimum order of \$60. See Colorblends.com or call 1-888-847-8637.
