

Windflower Blend, Anemone blanda

Windflowers (*Anemone blanda*) are low-growing bulb flowers that bloom in early-mid season. The daisy-like flowers are either pure white or lavender-blue. Typically, the bulbs naturalize and multiply when planted in well-drained soil in spots with full sun to light shade. Fall is the time to plant spring-blooming flower bulbs. Available from Colorblends, a Connecticut-based flower bulb wholesaler that sells direct to landscape professionals and home gardeners coast-to-coast with a minimum order of \$60. See Colorblends.com or call 1-888-847-8637.
