

'Desdemona'

English Rose "Desdemona" has voluptuous, incurved, white flowers with a pinkish hue. In the garden, white roses are valuable as statement plants or as color foils to heighten the impact of other shrubs and plants. 'Desdemona' has a strong, complex scent of Old Rose with hints of almond blossom, lemon zest and cucumber. Companions, as seen in early season: green Boxwood, dark purple Lavender 'Hidcote Blue', purple Salvia 'May Night', dark Sambucus nigra 'Black Beauty' (elderberry shrub).
