

'Gertrude Jekyll'

David Austin English Rose 'Gertrude Jekyll' is available as a climbing rose or as a garden shrub. It is always one of the first English Roses to start flowering in early summer. Its perfect scrolled buds open to large, rosette-shaped flowers of bright glowing pink. The beautiful, perfectly balanced Old Rose scent is often described as being the quintessential Old Rose fragrance. A vigorous rose, it grows 10 feet as a short climber; and 5 feet tall by 3.5 feet wide as a shrub.
