

'Lichfield Angel'

David Austin English Rose 'Lichfield Angel' is a vigorous rose with beautiful, neatly cupped cream rosettes. It's a strong performer in challenging growing conditions, including the hot, humid climate of the SE. Its light-medium musk fragrance is redolent of clove at stages. The flowers nod attractively from a rounded bush that is nearly thornless. It grows 5 feet tall by 5 feet wide. RHS "Award of Garden Merit."
