

'Lichfield Angel'

English Rose 'Lichfield Angel' has lovely, creamy apricot flowers that pale to creamy white. It handles varied growing conditions, including challenging hot, humid areas. The fragrance is generally light but is strongly clove at one stage. The bush grows 5 feet tall by 5 feet wide. Companion plants, from left to right: gray-green lamb's ears (*Stachys byzantinus*), fuchsia-red cranesbill (*Geranium sanguineum*) and blue-flowered catmint (*Nepeta Kit Kat*).
