

'Princess Anne'

'Princess Anne' has a very different look and character for an English Rose yet retains the classic full-petaled Austin flower. The color is initially deep pink, nearly red, then matures to pure deep pink. The fragrance is a medium-strong Tea Rose scent. The rose forms a compact, bushy and upright shrub with thick, highly polished foliage. It grows to 4 feet tall by 4.5 feet wide. RHS "Award of Garden Merit." (David Austin 2010, Auskitchen). Companion plant: Geranium pratense 'Mrs Kendal Clarke'
