

'Roald Dahl'

David Austin English Rose 'Roald Dahl' blooms its heart out from late spring till well into autumn. The flower color is perfectly peach, a shade considered particularly useful in garden design, mixing well with nearly all colors -- even strong pink and strong yellow. The heady Tea fragrance has leafy elements and dark fruit notes. The robust, rounded shrub has very few thorns. It grows 4 feet tall by 4 feet wide. (David Austin 2016, Ausowlish). Companion plant: Crocosmia 'Peach Sunrise'.
