

'Strawberry Hill'

David Austin' English Climbing Rose 'Strawberry Hill' is a splendid, rather informal rose with large, cupped rosettes in a pure rose pink color that pales to a lighter pink at the edges. Each flower has approximately 120 petals. It has a particularly fine strong fragrance of myrrh and heather honey with a hint of lemon. The branches are arching, with glossy dark foliage. It grows 10 feet tall and is an excellent repeat-bloomer, early summer till frost. RHS "Award of Garden Merit." (David Austin 2006, Ausrimini).

5600 x 3733
